FOR IMMEDIATE RELEASE

**MATRIX SERVICE INCREASES SCOPE OF WORK AT TERMINALLING FACILITY IN
CUSHING, OKLAHOMA**

Facility Project Increased from 12 to 22 Tanks

TULSA, OK – October 11, 2007 – Matrix Service Co. (Nasdaq: MTRX), a leading industrial services company, today announced that its wholly owned subsidiary Matrix Service Inc., has received an increase of its existing Engineering, Fabrication and Construction (EFC) contract with SemCrude, L.P., previously announced on December 21, 2006. SemCrude is part of SemGroup, L.P., which was named No. 5 on Forbes 2006 list of America's Largest Private Companies. The original project was for the construction of 12 aboveground storage tanks (AST) in Cushing and was valued at \$27 million. Recently, the scope of work was increased significantly and the project value has increased to \$51 million and includes 22 ASTs with a total capacity of approximately 6.1 million barrels. The initial project had commenced and was on schedule for completion in the summer of 2008. The entire project is now expected to be completed in the second quarter of calendar 2009.

Michael J. Bradley, president and CEO of Matrix Service, said, "This expansion further reinforces our commitment to delivering high quality products and services and timely results in a safe work environment. We continue to strengthen our relationships with existing customers and look forward to providing further support and services to SemCrude as they continue to grow their business."
